<p>SAR President's Roundtable 11.6.25- Meeting cancelled by RD.</p> <p>SAR Leadership and Management Meeting 11.1.25</p> <ul style="list-style-type: none"> ● Ready, Set, Recharge! <ul style="list-style-type: none"> ○ Rev. Tayon Williams Dancy started the session by sharing along with other members of the Chaplain's Council the Circle of Identity and the Nine Cardinal Virtues. Discussion around Delta hurt and how we need to work on our heart posture. Several scriptures shared that will help us to gain clarity. Colossians 3:23; Thessalonians 5:15; James 3:17, Proverbs 14:29. A few points pulled from the workshop included that in sisterhood we must stand firm, speak with grace, make a conscious effort to forgive, it is not about how loud we speak but how deeply we listen. ○ Keynote - 24th National President Cynthia Marie Antoinette Butler-McIntyre - We need to have our feet on the ground and our goal on the finish. Be Ready- be prepared for what you are asked to do; Set- get in position; and Go/Recharge- deal with the mile you are currently running, run the mile you are in. Stay focused. Breathe, Believe and Finish- it's going to be rough at times but you can do it if you stay focused. ○ Fireside chat with Soror Bulter-McIntyre and Regional Director Lewis. Sisterhood means you are called to serve. 		

- Workshop session with Soror Trish Johnson and Soror Juanita Massenburg
 - Mission of DST- constructive development of members and serving the black community.
 - Do you have a vision statement for your chapter? Vision for the region- We are better together!
 - Your members and the community need to understand what you are about. It should be 15 words or less; 2–6-word tagline- something folks can remember easily.
 - Member engagement begins with the President and their shared vision; articulate and demonstrate the vision
 - Soror Massenburg- Leadership in DST begins with Me! Communication is a major component. What do you use to communicate with your chapter members? Newsletter, weekly mailer, GroupMe.
 - How are you meeting? Hybrid, face to face and virtual
 - We need member engagement to support our sorority goals and objectives. Practice listening, be assertive, confident, value your members, fellowship and value those who wish to be heard.
 - 5 Things a Soror Wants- To feel welcomed; to be prepared; want good training (take the time to explain, demonstrate and clarify); to be appreciated; and frequent communication.
 - Some questions to consider: How do Sorors experience your chapter? What happens and what doesn't happen? What do you do to enhance the quality of chapter experiences? Do you treat your Sorors like customers?
